Another relevant aspect to underline in the translation of the vocabulary is the so-called lexical equivalence according to Bruno Osimo 83 ; something very important to preserve in order to achieve textual accuracy. No se trata de que la violencia actual sea redentora. The First Council of Ephesus recognised this doctrine and affirmed its importance, stating that the humanity and divinity of Christ are made one according to nature and hypostasis in the Logos. From the history of the Jewish nation Lucian could see the effect of accepting the Greek education taught in Alexandria.
