Traditional Christian Ethics: Volume One An Introduction and Indexes

Both of these characters represent the human condition, the things we can all relate to, in all of our relationships, be it with a parent, a family member, a friend, or a romantic partner. It is certainly no coincidence that the two poems that he addressed to her adopt the conventions of Minnesang, one of them even in an approximation to Middle High German stanzaic form, for this was the lady untouchable and inviolate whom one could approach only in verse.
