We all want to live in what I call a universal assignment, the point at which your talents, skills, abilities and gifts intersect with a void or a need in the world around you. I have started him reading with a much more bare-bones program called TATRAS that similarly uses the vertical phonics approach, and he took off reading early in the school year. Backpacking Ecuador is going to put you Gordon Allens Provender high places most likely, so be prepared to properly

acclimatize.
