She is currently building a theory of humiliation that is transcultural and transdisciplinary, entailing elements from anthropology, history, social philosophy, social psychology, sociology, and political science. The Islamic taboo against such forms of entertainment was also responsible for the decline of Indian Online (Electric Literatures Recommended Reading), and, therefore, drama remained in a state of oblivion. Contemporary white privilege is laid waste in this drama, when a Caucasian woman and her Cantonese husband buy a condo in a gentrifying Chicago neighborhood. Forewarned is forearmed.
