Perfectly Imperfect: A Transformational Journal to Inspire A Purposeful Life

I offer an invincible method to elevate the souls of women: they must be included in all the practices of men; if men obstinately find this system impracticable then let them share their wealth with women, not dependent on their whim but through the wisdom of law. So forget the endless column inches on economic downturn, this is the real news and it tells you more about life on earth than you'd ever wish to know.

Letter to the Governor of Barbados - 1671

He maintains that climate change is caused by natural variability, not human activities. Aus seinem Gesundheitszustand und den Blutspuren an den Waenden kannst du schliessen, dass er nicht sehr freundlich ist.

By means of It, and in It, you must offer to the Eternal Father all that you. She looks at water, at once the most "natural" of elements and one that is available to virtually all city dwellers in the Western world through an incredibly complex system of pipes, taps, water towers, and aqueducts.
