The renovation has been done sensitively to keep the feel of a rural cottage, and some features have been retained, like the original barn lintels. The artist, however faithful to his personal vision of reality, becomes the last champion of the individual mind and sensibility against an intrusive society

and an officious state. Plenty of action to keep the story interesting. This virulent strain of anti-science infects the halls of Congress, the pages of leading newspapers and what we see on TV, leading to the appearance of a debate where none should exist.
