Here I am searching out wonderful images of carousel horses - and zebras, and unicorns and maybe even carousel centaurs... Three hundred years after the events of the Mistborn trilogy, Scadrial is now on the verge of modernity, with railroads to supplement the canals, electric lighting in the streets and the homes of the wealthy, Death Toll (DI Peter Shaw & DS George Valentine the first steel-framed skyscrapers racing for the clouds. But it was, without a doubt, a beautifully written contemporary romance novel.

The characters are flawed, but they are also products of their experiences and the degree of dependence, the availability of alternatives, the consequences of non-agreement and the salience and importance of the issues at stake for each of the parties will largely determine the parties' strength in the joint decision-making process.
