Lost Girls

I caved in several times to my husband... mostly about power and manipulation. When will they ever learn Hi, Here's another one to add to the list.

My Life in the Time of the Contrás

Gomes introduces himself as the narrator in the first installment only to run away from the scene and then it is Scheherazade who takes his place and tells us about contemporary Portugal in a mythical way. India to Polynesia and Australia.

Consciousness Explained

I couldn't really bring myself to like Xavier.

Derridada: Duchamp as Readymade Deconstruction
Submit your creative nonfiction entry today.

The Alternative Guide to Travel (Carrotology Book 6)

Lionel stubbornly refuses the demand, and if Joan will only declare her readiness to be his, he will protect her against a world in arms. The fact that the creatures were observed at length in the daylight makes it hard to argue a case of mistaken identity of a known animal.

History of the rebellion in Ireland, in the year 1798, &c: containing an impartial account of the proceedings of the Irish revolutionists, from the year 1782, till the suppression of the rebellion

This seemingly innocuous difference marks one of the most profound gulfs within contemporary philosophy, and has quite unexpected, and wide-ranging, implications. Journal of Brand Management, Vol.

Women on Southern Stages, 1800-1865: Performance, Gender and Identity in a Golden Age of American Theater

For Jesus, recognizing the Father's love means modelling his actions on God's gratuitousness and mercy; it is these that generate new life.

Geo-Spatial Technologies in Urban Environments

I usually look around and find them on top of my head - but they aren't there today. I don't like to write bad reviews, and if this wasn't an arc copy I got to be reviewed, I would have not published .
