On His Knees [Gay Black / MM Short Story]

In response to gay pride rainbow stickers on people's cars, some folks in Austin adorned their vehicles with taco and hot dog bumper stickers. First, we have an indispensable ability both to have certain moral intuitions and to articulate the grounds of those intuitions, and this ability presupposes the existence of what Taylor calls evaluative frameworks, frameworks also presupposed by our concept of personhood.

NBDE Part I Anatomy: Specialty Review and Self-Assessment (StatPearls Review Series Book 95)

The poetic form of narrating the sense of the place in the exotic Macchu Picchu and the intention to find meanings in the mysterious everyday life in this never-beforeseen environment, suggests the inability of the common - or perhaps scientific - language to grasp what is beyond the rational conceptualization of time and space. One cannot see, unless it is revealed unto the one to see, and to carefully observe whatever one sees before one can understand the mysteries of nature.

Sexual Misbehavior: A Current Problem

Bottom Line: Recommended for readers in their early teens, or for older readers who can overlook some of the elements that fit together, but not perfectly I left some of these out so as not to include spoilers in the review.
