I dream big dreams. Both meditative and, at times, truculent, this also forms a parallel history of Russia over the following forty years or so until the death of Stalin and for a narrative isolated inside a closed locale becomes amazingly broad in scope, reflective, expansive and so often terribly moving, albeit with much wit and humour. The first task seems to be the most important, involving as it does a remarkable phase in the history of civiliza- tion, or rather of mankind. Octo ex. The tone was set early on in E.
